

IXORD Notes:

note & to-do list by IXORD

How to request account removal?

We respect your privacy and are committed to protecting your personal data.

To remove your personal data from the system, write us an email with a request to our mail ixord@ixord.com from the e-mail that you specified during registration.

You can also write a request to your virtual assistant in the IXORD Notes: note & to-do list app Chat.

What types of your data are removing?

When you request to delete your Account, we are removing all private data entered by the user (Name, Surname, DisplayName, Photo, E-mail), including all data that was stored in the Workspace (lists, tasks, surveys, process, positions, tags, etc.)

When requesting to delete a Workspace owned by a user, all data stored in the Workspace (lists, tasks, surveys, processes, positions, tags, etc.) will be deleted.
